

Jean-Jacques Dushimiyimana

Founder and 1st president of PMI Rwanda Chapter. Seasoned project executive and entrepreneur with more than 17 years of experience in Strategic Project Management. In 2011, he singlehandedly founded ATACS PROJECTS – a full service business and information technology consulting and advisory firm, specializing in Project Management and Organization Transformation.

Resident of Kigali, he is a motorsports enthusiast and an avid off-road and chopper motorbikes rider. Formerly journalist and photographer when left to his own devices, he believes that travelling and crossing time and cultural boundaries is his raison d'etre and best way to become an integral human being.
