

Okereke Kelechi Bio

Okereke Kelechi Collins is a creative Web3 Content Specialist at Madrid-based Web3 startup: Vent Finance. He executes a robust content management strategy across all social media channels comprising company partnerships, promotions, competitor analysis and community education.

Kelechi has five years of remote content creation experience spanning B2B, SaaS, and B2C tech niches. In his role at VENT, he has worked with several top Layer 2, NFT, DeFi, and Metaverse projects like ARize, Gamium, Animal Concerts, WingRiders, and Cornucopias.

Before joining VENT, Kelechi had written for Zycrypto, Bitprime, Swiss Unique Watch Club, and AI-powered legal startup, DoNotPay, San Francisco.

Kelechi is the 2018 Management Best Graduating Student (B.Sc) at the University of Port Harcourt and an aspiring Artificial Intelligence and Data Analytics Master's Student at the University of Bradford.
