

Dr. André ONANA, PMP, PMI-SP, PMI-RMP, PMI-ACP

Professor and Consultant in Project Management and Digital Transformation

President of the PMI Senegal Chapter

Dr André ONANA, PMP, PMI-SP, PMI-RMP, PMI-ACP is currently the President of the PMI Senegal Chapter. He is a professor and consultant in Project Management and digital transformation. For a little over 10 years, he has been teaching project management to undergraduate and master's students in business and engineering schools. As a consultant, he supports organizations in structuring their project management processes and building the capacities of their project managers. His main areas of interest concern the mutual contributions of digital transformation to project management, the adoption of agile approaches by African companies and the role of communities of practice in maturing the culture of project management.
