

**Billy S. Mwape, MBA, PMP, PMI-ACP, DASM**

A certified and approved project management consultant and educator with a proven track record of accomplishment in agile business strategy, project business management, agile parenting, and leadership. He is a passionate agile and leadership coach with over 18 years of ICT and leadership experience in the mining and banking sectors. Billy is a TED Speaker and public speaker, accredited by Toastmasters International – an organisation for which he served as Division Director, overseeing Zambia and Malawi – 2021-2022. He is Head of IT for one of Zambia's most innovative Banks, Vice President for PMI Zambia Chapter, Advisory Board Member for The PMO Leader and Council Member for Heriot Watt University Alumni.

Billy has had over 15 global speaking engagements including the PM 4 Ukraine charity conference which raised over \$16,000 for UNICEF in support of children and family victims of war in Ukraine. Speaker at the 2022 APPportunity conference discussing the topic "Social Equity". He is giving back to his community through a Junior CEO program aimed at equipping boys and girls in Zambia with leadership, techpreneurship, aquaculture, AI, robotics, agile and design thinking skills.
