

Lee-Ann Pillay is the Head of PMO at Mukuru, one of the largest money transfer providers in Africa and a leading Next Gen Financial Services Platform that offers affordable and reliable financial products to the emerging consumer. Her experience spans multiple disciplines such as Project Management, Finance, Human Resource Management and Strategy, particularly in the Financial Services sector. She is a qualified Accountant with a Masters in Business Administration, and has received a Fintech certification from Harvard. Lee-Ann is passionate about financial inclusion and how fintech can help address this, with project management being the vehicle through which it can be achieved.
