

**Maurice Barigye, PMP®**

Maurice is a vastly experienced, highly skilled Project Management Expert, Electrical Engineer and ICT professional. Maurice has gathered extensive technical, commercial and management experience from a thus-far comprehensive and greatly successful career in the Telecommunications, ICT and Renewable Energy, spanning 20+ years, performing effectively as a leader of teams and a mentor.

Maurice is a holder of the internationally recognised **PMP®** Credential, and also of the *proprietary* Ericsson Experienced Project Manager, CSI Experienced (**EPM, CSI-Experienced**) Certification.

Maurice is currently the Chief Operating Officer of Nexus Green Limited, a British renewable energy firm, with operations in several countries around the world. He has also been a Managing Director of ADC International Ltd, an ICT firm in Uganda that specializes in Digital Advertising and Marketing solutions. Before that, Maurice spent 10 years with Ericsson AB, delivering several multi-million dollar projects across several countries as Project and Programme Manager, and eventually as Head of CSI Solutions Delivery in East, Central and Southern Africa.

Maurice loves volunteering and was one of the founding Steering Committee members of the PMI Uganda Chapter in 2014; he now currently serves as the President of the Board. He loves the outdoors, extreme adventure and is also an avid sports fan- a *passionate* supporter of Liverpool Football Club and of any team that *beats* the English Cricket Team 😊😊.
