

A former financial sector consultant turned Diversity & Inclusion strategist. Shelton joined the Microsoft Leap Apprenticeship Program to help be a catalyst to helping people get into the Tech industry. At Microsoft, our mission is to empower every person on the planet to achieve more. This is at the heart of the Microsoft Leap Apprenticeship Program, which unlocks high-tech career opportunities for talent with non-traditional backgrounds. Apprentices are immersed in a transformative experience, which includes classroom and on-the-job training, preparing them for careers in high-tech.
