

**BIO - Jean-Jacques DUSHIMIYIMANA, PMP®**

Founder and 1<sup>st</sup> president of PMI Rwanda Chapter. Seasoned project executive and entrepreneur with more than 20 years of experience in Strategic Project Management. In 2011, he singlehandedly founded ATACS PROJECTS – a full-service business and information technology consulting and advisory firm, specializing in Project Management and Organization Transformation.

As of late, Jean-Jacques is a Consultant with the Ministry of Economy and Finance of Rwanda. As Program Director, he is leading a strategic financial inclusion program of 416 Savings Credit Cooperative Banks (SACCOs) nationwide, consolidation and establishment of the 1<sup>st</sup> national Cooperative Bank in Rwanda.

Resident of Kigali, Jean-Jacques is a motorsports enthusiast, both off-road and choppers. Since last year, he proudly acquired an American classic motorcycle, the Harley Davidson Softail Classic, introducing in Rwanda the passion of riding. Formerly journalist and photographer when left to his own devices, he believes that travelling and crossing time and cultural boundaries to learn and share is his raison d'être.
