

SESSION: How does PMI Communaute Francophone Supports Africa Sustainable Growth and Social Good?

Did you know that more than half of the African countries are Francophone, representing 442M inhabitants? And that Africa will represent 85% of Francophone World by year 2050? You will learn more about how PMI Communaute Francophone is supporting Africa sustainable growth and social good through webinars and projects in connection with UN SDG, collaborating with 8 Francophone Chapters.

Jean-Christophe Hamani

Founder and Chair

PMI Communaute Francophone

Jean-Christophe Hamani is a Transformation Strategist, Advisor, Lecturer and Author. For nearly 30 years, he has managed large projects within global leaders of the Telecom Industry (Alcatel/Nokia, Nortel, Ericsson, Huawei and Orange) and Start-Ups (One2Team/Sciforma). He has multiple certifications including ITIL V4, PMP, PBA, Organizational Transformation (PMI), Digital Transformation Strategy (Ecole Polytechnique-France), Entrepreneurship Essentials (Harvard Business School) and Innovation Leadership (MIT). He has been a PMI volunteer for 20+ years. In 2010, he is elected President of the PMI Paris Chapter. In 2013, he co-founded PMI France, the largest Chapter in EMEA. In 2017, he founded the Region Globale organization, which supports the global Francophone ecosystem throughout 87 countries in 4 continents. In Jan 2021, Region Globale is integrated into HQ and becomes PMI Communaute Francophone. Jean-Christophe Hamani is a Business School Professor in Project Management (Executive Education). He has founded Tacthics, an Advisory Company specialized in Strategic Execution and Transformation.
