

TITI AKINOLA'S PROFILE

DIRECTOR OF OPERATIONS, TONY ELUMELU FOUNDATION

Titi Akinola is a versatile professional with extensive experience in business operations optimization methodologies, Project Management, Customer Service and digital transformation. Her industry expertise spans across Telco, Education and NGO.

Having experienced being an entrepreneur herself, she is passionate about helping African entrepreneurs start up and scale their business for global impact.

She joined the Tony Elumelu Foundation in 2019 as the Entrepreneurship Programmes Manager. Through her track record in innovation, execution and leadership, Titi became the Director of Operations in February 2021 and is responsible for the strategy formation and delivery of the Tony Elumelu Foundation entrepreneurship programme. She is also responsible for the continuous innovation and optimization of TEFConnect – the largest digital networking platform for African entrepreneurs.

Titi Akinola is execution-focused and to her, Kaizen is not just a methodology, it is a way of life.
